

FIMO[®]

- WORKSHOP MATERIAL LIST -

Colourful Hoop Earrings

Required workshop material

- 1 block FIMO soft Indian red (8020-24)
- 1 block FIMO soft White (8020-0)
- 1 block FIMO soft Lemon (8020-10)
- 3 pairs of earring hoops

Additional items:

- small round cutters with diameter of 1cm and 3cm (alternatively, you can also use other round shape items like a glue stick cap)
- a square or circle cutter (for colour recipes)

Items you'll probably have at home:

- a plain working surface e.g. a glass plate or a ceramic tile
- a tissue blade, x-acto knife or scalpel
- a toothpick or a small needle
- an oven and an oven tray
- a baking sheet
- a pencil
- scissors
- some cornstarch
- a piece of low grit sanding paper (to create textures)
- 2 pieces of card
- a square or circle cutter (for colour recipes)
- a glass bottle (if you don't have a rolling pin for clay)
- 2 small pliers (round or chain nose)
- 2 small ceramic tiles (to keep the clay flat in the oven and avoid bubbles)
